Objective: The student will use Microsoft Word in order to create a flyer for your new music store.

Music “R” Us

- Create a flyer for your new music store.
- Type the information in the text boxes that contain Hot Latin Songs, Hot Pop Songs, Hip Hop/R&B Songs and Hot Country Tracks.
- Use different borders around the six text boxes.
- You will select the font and font size for **Billboard Charts** and **Music “R” Us**.
- Use a 12 pt Arial Narrow bold font for each text box titles (Hot Latin Songs, Hot Pop Songs, Hip Hop/R&B Songs and Hot Country Tracks).
- Use a 9 pt Arial Narrow font for your text in the text boxes.
- You will select 12 Top Picks for your flyer. Use the Internet to help you.
- Bullets should be used in your text boxes.
- Include two graphics on your flyer.
- A vertical line should separate columns two and three.
- A Page Border should be on your flyer.
- Include Contact Information, for your new music store, on your flyer. Use a 14 pt Arial Narrow font in this text box.
