## Web Design Project "Welcome to my World" Website

**Objective:** *The learner will use Microsoft FrontPage in order to create a "Welcome to my World" website.*

- Create a "Welcome to my World" website.
- Your website will include using a template, marquee, animated graphic, hyperlinks, and page transition.
- Create an animated graphic on picasion.com <[www.picasion.com](http://www.picasion.com)>
- Cite sources for photos/graphics and information used from the Internet.
- On your index page include your photo and links to following pages on your website:

Meaning/Origin of My Name	( <a href="http://www.babynames.com">http://www.babynames.com</a> )
Birth Place	(Include a flag, symbol, and/or hospital photo from the Internet.)
My Birthday	(Date and Day of Week – Include baby picture)
Celebrities Born on my Birthday	(Include photos of 3 celebrities and identify who these people are.)
My Zodiac Sign	(Include the meaning of your sign and a graphic.)
My Chinese Sign	(Include the meaning and an Internet graphic.)
My Birthstone	(Include the name of your birthstone and a graphic.)
Childhood Memories	(Tell about some childhood memories and include scanned/digital photos.)
Welcome to my State	(Include a photo gallery and the name of your state.)
Family Ties	(Include scanned photos of your family – pets Included.)
Friends Photo Album	(Include scanned pictures/photos of your friends.)
Favorite Holiday	(Include Internet graphics and/or clip art.)
Favorite Activities	(Include Internet graphics/clip art and/or scanned photos.)
Favorite Place to Visit	(Include Internet graphics/clip art and/or scanned photos.)
My Schools	(Include your elementary, middle and high schools on this page.)
Favorite Books	(Include Internet graphics/clip art and/or scanned photos.)
The Person I Most Admire	(Include Internet graphics and/or scanned photos.)
My Future Plans	(Include Internet graphics and/or clip art.)
Links to My Favorite Websites	(Create hyperlinks to websites you would suggest to others.)
